#### ABOUT ME

*To think out of the box and be creative are my favorite solutions for every problem. I love to experiment with coding and to search for new answers. That is why Web Design is a perfect job for me where I can express my creative side.*

#### PROFESSIONAL BACKGROUND

##### Web Design internship

Udemy Academy internship from 11/2020

Learning and making my own Website using HTML and CSS. I learned how to use different tools, create different styles and solve different problems.

I started learning HTML and CSS on my own, and I am planning to continue with Java Script.

##### Online Marketing internship

Digital Minds 09/2020 – 12/2020

I had opportunity to learn and to work in WordPress. The biggest part of my Internship was about SEO and E-commerce, creating blogs, writing optimized e-shops descriptions and key word research.

Second parts are ads in Instagram, Facebook, Twitter and LinkedIn, Google Analytics and Business Manager. I learned this part independently and I already have experience in creating and running ads.

##### Rezeption

Austria Trend Hotel Rathauspark from 11/2019

Customer Service - the process of check-in and check-out using the hotel's internal system "Protel".

Guest's complaints, reservation correspondence, looking after guests during their stay, teamwork.
